<p>My name is Paul Gilchrist and I live in Goathland with my wife, Judith. I was a secondary Maths teacher for 35 years until 2018, having taught in several different schools in Yorkshire, Lincolnshire and Kent. Judith and I run the lunchtime JAM (Jesus and Me) club most Tuesdays and have really enjoyed meeting and teaching the children over the last year or so. I feel very privileged to be a part of Egton Primary School and to have the opportunity to be a governor at such an excellent school. When not being a governor you will find me either working at the Inn on the Moor Hotel, at the gym, tutoring local secondary students or wandering the moors – but not because I'm lost!</p>
